

# HEART OF AMERICA STAND DOWN

**Libby distributing supplies collected by Prairie Elementary students at the Heart of America Stand Down, November 2015.**

Prairie Elementary is proud to support the Heart of America Stand Down on November 4<sup>th</sup>, 2016, an event that offers a “hand up” to veterans in need. Sadly, many of our veterans do not have basic needs such as food, clothing, and toiletries. Last year, Prairie student Libby Marsh began a toiletry drive for the Stand Down, and thanks to Prairie students and faculty the collection drive was a huge success! Please help make the 2<sup>nd</sup> Annual Prairie Elementary Stand Down Collection an even bigger success. The class that brings in the most toiletries, will receive a donut and hot chocolate party!

**HOW TO CONTRIBUTE?** Just look for the green camouflage collection boxes. The boxes will be picked up on November 3<sup>rd</sup> at 3:00P.M. For more information, check out Libby’s new website: [www.kids4vets.com](http://www.kids4vets.com).

**Thank you for supporting our Vets!**
